

VA Advertisement Program

Terms & Conditions

These Terms & Conditions (the “Terms”) govern participation in the VA Advertisement Program (the “Program”) operated by [YOUR ORGANISATION] (“we”, “us”, “our”). By submitting a listing or accepting an invitation to be featured, the virtual airline or virtual organisation (“you”, “the VA”) agrees to these Terms.

1. The Program

The Program is a directory that advertises Infinite Flight virtual airlines (VA) and virtual organisations (VO). A listing may include your name, callsign, logo, banner, description, links, and operational details to help pilots discover and apply to your VA. Participation is offered free of charge.

2. Eligibility

- Your VA/VO must be a genuine, active Infinite Flight community group.
- The person submitting or accepting a listing must be the VA's CEO, owner, or an authorised representative.
- You must own or have permission to use all images, logos, and content provided.

3. Event & Tracker Requirement

As a condition of being listed in the Program, the following applies to **every event you run — regardless of size**:

- **All events must be operated using our flight tracker.** There is no exemption for “small” or informal events.
- When you hold an event, you must announce it by **either** posting in your VA's Discord that the event is taking place, **or** publishing it on our tracker or the Infinite Flight Community (IFC) forum.

Failure to meet this requirement may result in your listing being suspended or removed at our discretion.

4. Content Standards

- Information you provide must be accurate and kept reasonably up to date.
- Banners, logos, and text must not contain offensive, misleading, illegal, or infringing material.
- You are responsible for the content of any external links (website, Discord, application, IFC thread) included in your listing.

5. Moderation & Listing Management

We reserve the right, at our sole discretion and without prior notice, to review, edit, approve, decline, withhold, archive, feature, or remove any listing — including for breach of these Terms, inaccurate information, or inactivity. Being invited or listed does not guarantee continued or permanent placement.

6. Data & Analytics

The Program records basic, non-personal engagement metrics for each listing, such as view and click counts, to measure advertisement performance. Any contact details you supply are used solely for administering the Program.

7. No Warranty & Limitation of Liability

The Program is provided “as is”, without warranties of any kind. We do not guarantee any level of visibility, traffic, recruitment, or availability. To the fullest extent permitted by law, we are not liable for any loss or damage arising from participation in the Program or from reliance on any listing.

8. Intellectual Property

You retain ownership of your logos, banners, and brand. By submitting them, you grant us a non-exclusive, royalty-free licence to display and reproduce that content for the purpose of operating and promoting the Program. We will remove your content from active listings upon valid request or termination.

9. Termination

You may withdraw from the Program at any time by requesting removal of your listing. We may suspend or terminate your participation at any time for breach of these Terms or at our discretion. On termination, your listing and associated images will be removed from the public directory.

10. Changes to These Terms

We may update these Terms from time to time. Continued participation after a change takes effect constitutes acceptance of the revised Terms. Material changes will be communicated through our usual channels.

11. Contact

Questions about the Program or these Terms can be directed to [CONTACT EMAIL / DISCORD].
